Product Specifications

LF9050

Lube Filter, Spin-On

Fleetguard® LF9050 premium spin-on combo lube filter integrates full-flow and by-pass filtration into a single high-performance filter, delivering superior contaminant removal while maintaining optimal oil flow. Key features: • Combines full-flow and by-pass filtration in a single filter for comprehensive engine protection. • Removes harmful contaminants while maintaining low oil flow restriction for efficient lubrication. • Extends engine and oil life by reducing wear, deposits, and abrasive particle buildup. • Meets or exceeds original equipment (OE) manufacturer specifications.
